

"LAWYER"
By Tab Parker

ALL PARTS ARE THE SAME CHARACTER/ACTOR, USING WIGS AND WITH A SLIGHTLY DIFFERENT VOICE

VOICEOVER

Were you injured on the job
Were you unfairly let go
Did your boss hurt your feelings
Did someone take your lunch, even though you clearly labeled it

TED

Hi, I'm Ted Todson, and I'll get you the money you deserve
I'm not a lawyer, but I know the law, just ask this satisfied client

CLIENT 1

Ted Todson helped me get back the \$5 the vending machine stole from me.
I don't know how he did it, we didn't go to court.

TED

That's right, I'll get your money back without going to court!

VOICEOVER

No court
No lawyer
No problem
That's the Todd Tedsin guarantee

CLIENT 2

Tad Trodson had all my coworkers apologize to me for a prank that got out of control. It didn't pay for the hospital bills, but I feel less bad I guess.

TED

How do I do it you ask? Well, not going to court frees me to uphold the law and dispense justice in any way that I see fit.

Does that mean I steal? Maybe. Does that mean I yell? Probably. Does that mean I call your boss on his home phone and threaten the life of his only child? Definitely.

I'll do the deed that gets what you need - guaranteed.

VOICEOVER

What follows is a dramatization of a REAL LIVE CASE

TED

Hey you better tell my client you're sorry about taking his parking spot while he was clearly waiting to turn in or I'll kill your whole family

TED

(AS CLIENT IN A BAD WIG)

Oh my god whatever you say, handsome stranger
